NICOMATIC

NICOMATIC FRANCE QUALITY POLICY

Nicomatic France deploys its contribution to the Ambition 2025 “Unlimited opportunities” of the

NICOMATIC group through its own strategic axes :

- The customer experience
- Benefit from the potential of our employees
- Growth
- Operational excellence

Our quality management system is a major player in the differentiated experience of our customers. He develops his own convictions :

- Agility / adaptability of processes as close as possible to the needs of the market and the value expected by our customers.
- A process of improvement, agile & learning innovation.
- Identifying opportunities to bring value to our customers.
- Opening our quality management system to an Integrated Management System through integration of new certification(s).

It is the driving force for taking into account :

- The needs of our customers.
- The performance of our company.
- The satisfaction of our customers.
- The motivation of our employees.

All Nicomaticians are committed to meet the applicable requirements and to applying this dynamic and innovative policy in actively involving all human, industrial and financial resources of the Nicomatic Group, while building on the company's values.
